NEW ORLEANS MARRIOTT

Annual Session 2026 is designed to give sponsors meaningful access to clinicians and practice leaders, **not just booth traffic**. With approximately 350+ attendees, the conference brings together a strong mix of dentists, medical professionals, healthcare workers, and practice owners who are actively evaluating new oral-systemic technologies, products, and services.

Exhibitors benefit from dedicated networking opportunities throughout the event, including extended breaks, lunches, and scheduled exhibitor hall hours that encourage direct conversations and relationship-building with attendees.

Our streamlined sponsorship model makes participation easy to evaluate and delivers greater visibility and engagement for each partner. Join AAOSH and connect with the decision-makers shaping the future of oral-systemic healthcare.
